**C. Backyard Media Wall (PZ-25-97) **APPROVED****

Mr. Proch briefly explained the item and staff recommendations as noted below:

The proposal is to build a freestanding pergola with media wall in the rear yard. The home is located at 815 W. Verbena Lane in the Village and is zoned R1-8 PD. The applicant is addressing a partially-built structure by applying for Design Review approval before work can resume. The approximate 196-square foot pergola is located at the rear corner of the lot, five feet away from the side and five feet away from the rear property line. The structure will include one wall on the south side (against the road) for media. The wall will be block construction with stucco and paint to match the house. Staff has not received any public comments on this proposal.

Staff requested that the Design Review Board take the following action:

Approve the proposal, subject to the exhibits provided by the applicant, and stipulation 1:

1. A Building Permit issued by the City will be required before any construction is to occur.

The applicants, Robert Guevara and Lorena Gonzalez, were present for any questions the Board Members may have. Board Member Darre stated he visited the property to speak with the owners and supports the request. There were no additional comments or questions from Board Members.

**APPROVE A FREESTANDING PERGOLA WITH MEDIA WALL AT 815 W. VERBENA LANE**

**4 - 0 - 1 Passed**

**D. Breezeway Conversion (PZ-25-102) **APPROVED****

Mr. Proch briefly explained the item and staff recommendations as noted below:

The proposal is to convert an existing breezeway between the home and garage into a new bedroom. The property is located at 1108 N. Oro Vista and zoned R1. The existing 168 square foot breezeway is located in front of the home's primary facade and connects to the two car garage located in front of the home. The breezeway roof

is connected across both portions of the structure and will remain as-is. Some of the current exterior, proposed future interior will be remodeled to connect the home to this expanded portion. All new elements of the addition will match in design with the rest of the home in a white stucco finish. Staff has not received any public comments on this proposal.

Staff requested that the Design Review Board take the following action:  
Approve the proposal, subject to the exhibits provided by the applicant, and stipulation 1:

1. A Building Permit issued by the City will be required before any construction is to occur.

The applicant, Courtney LeBoeuf, was present for any questions the Board Members may have.

Board Member Darre asked if there would be an entrance from the bedroom to the garage. Ms. LeBoeuf responded there would not be a direct entrance from the house to the garage. Mr. Proch explained the entrance door location will be located near the rear of the garage to the adjacent patio and pointed out the location on the plans submitted by the applicant.

The Board Members stated they had no further questions.

#### **APPROVE A BREEZEWAY TO BEDROOM CONVERSION AT 1108 N. ORO VISTA**
